PROFILE

Full-stack developer (React, Next.js, Laravel, Spring Boot) with a proven track record building and growing digital products end to end. Founded and scaled a digital products platform to $10,000+ in revenue and 6,000+ customers, co-built two additional ventures, and grew a content channel to 30M+ combined views. Comfortable owning a project from code to customer acquisition — able to ship a product and sell it.

EXPERIENCE

Founder — Estore.ma · Digital Products & Subscription Platform

2024 — Present

Rabat, Morocco (Remote) · Self-employed

- Built and scaled a digital products & subscriptions business from scratch — digital services, streaming subscriptions, advertising solutions.
- Generated $10,000+ in revenue and served 6,000+ customers, with a 10–20% paid-conversion/subscription rate.
- Owned the full customer lifecycle solo: acquisition, sales (WhatsApp-based direct channel), retention, support.

Co-Founder & Full-Stack Developer — Tripycco · Travel Booking Platform

2025 — Present

Rabat, Morocco · 3-person founding team

- Co-building a booking platform for travel agencies and trip organizers — Next.js frontend, Spring Boot backend.
- Tested go-to-market with an initial $2,000–5,000 budget; currently restructuring legal entity and payment infrastructure ahead of relaunch.

Co-Founder & Developer — AKS WEAR · Sportswear E-commerce

2026

Rabat, Morocco

- Designed, built, and launched an e-commerce store (React, Supabase) and led acquisition campaigns for a sportswear brand.
- Generated approximately $1,000 in revenue within the first month of launch.

Freelance Full-Stack Developer — Self-Employed

2023 — Present

Remote

- Design and develop websites, web applications, and digital services for clients using React.js and Laravel.
- Manage projects end-to-end: requirements gathering, development, deployment, client communication.

Content Creator — ElMdPlay · YouTube, Instagram, TikTok

Ongoing

Independent

- Grew a YouTube channel to 11,200+ subscribers and 25M+ views.
- Built a cross-platform audience: 1.5M+ views on Instagram/Facebook, 3,000+ TikTok followers with 6M+ views.
- Managed the full content pipeline — scripting, filming, editing, SEO/thumbnail optimization, audience growth.

Web & Application Development Intern — RITECHCO

2024 · 6 months

Tiflet, Morocco

- Designed and developed websites and applications for clients.

Data Administrator — SNCE

2022 · 6 months

Ain Johra, Morocco

- Managed employee and equipment records and data.
